**Campaign Spending:** [List of Filers](#)

I am Whitney T. Anderson, a Waimanalo resident and former state Association of Hawaiian Civic Clubs president who served in both the state House and Senate of the Hawaii State Legislature, and I'm running to represent you as an at-large member of the OHA Board of Trustees.

Of Hawaiian, Portuguese and Scandinavian decent, I am running for OHA to work towards unifying the Hawaiian community, and the community at large. Many people are afraid of Hawaiians receiving reparations for the wrongs committed during Hawaii's prior history, and I want to reach out to these people to show them that they have nothing to fear. We must help our fellow Hawaiians realize that for them to succeed, we all need to work together for that common goal.

As a state legislator, my office introduced legislation to provide tuition waivers to qualified Hawaiian applicants to the University of Hawaii system who otherwise could not financially afford a higher education. I authored legislation to establish Hawaiian Language Immersion schools by statute within the state Department of Education, amongst other legislation aimed towards enhancing education opportunities for our people. As your OHA trustee, I will continue working with my former colleagues in the State Legislature to make the University of Hawaii, much of which sits on Hawaiian ceded lands, more accessible to Hawaiian students who cannot afford a higher education.

On November 7, I humbly ask for your vote to represent you as an at-large OHA trustee. Mahalo.
